Recognition of Commercial Examinations of other States- Effect of withdrawal of recognition on those who acquired the qualification when the recognition was in force.

CIRCULAR.

No. ED 40 TCE 73, BANGALORE DATED 26TH JUNE 1974

By Government Order No. ED 54 GCE 63, dated 16th May 1964, among others, the 130 words Speed Test conducted by the Ex-Bombay and Maharashtra Government was treated as equivalent to the English Senior Grade Shorthand Examination of this State This recognition was, however, withdrawn subsequently by G. O. No. ED 67 GCE 68, dated 22nd September 1969. But certain officials had passed the 130 words speed test of the Maharashtra Government at a time when the recognition was in force prior to 22nd September 1969. They became due for promotion for earning which they are required to pass the Senior Shorthand Examination of Karnataka State after 22nd September 1969 the date from which the parity of standards was withdrawn The question arose whether the officials who had acquired the qualification by passing 130 words speed test of the Maharashtra Government which was held to be equivalent of Senior Shorthand Examination of Karnataka at a time when the recognition was in force could be considered to be eligible for promotion after withdrawal of the recognition.

The question has been examined. It is obvious that the eligibility for promotion is to be considered on the date on which it becomes due. Hence, the qualifications to be considered for that purpose would be those recognised on the date of making the promotion. A person would be eligible for promotion only if he possessed the prescribed qualifications on the date of making the promotions and not otherwise. If recognition for the qualifications acquired by the official have been withdrawn by the time he became eligible for promotion, then, such qualification will cease to equivalent to the prescribed qualification and the official would not be entitled for being considered for promotion on that basis.

All Heads of Departments and other appointing authorities are requested to follow the above.

Department of Collegiate Education—Applicability of the Triple Benefit Scheme of the aided Schools to the employees of Private aided Colleges—orders issued.

READ:—

(i) Government Order No. ED 129 UPC 69 dated 11th September 1973.

(ii) Letter No. AC III/TBS/70-71 dated 31st January 1974 from the Director of Collegiate Education in Karnataka, Bangalore.

PREAMBLE.—

In the Government Order No. ED 129 UPC 69 dated 11th September 1973 read at (i) above, sanction was accorded to extend the Triple Benefit Scheme to the employees of State aided colleges coming under the Department of Collegiate Education with effect from 1st Apri 1969.

2. The Director of Collegiate Education has reported that the rules issued in the above said Government Order, have become unworkable since they contain retrospective provisions regarding recovery of managements share, teachers contribution etc, and that it would be difficult to implement the scheme He has, therefore, suggested that the Triple Benefit Scheme rules applicable to the employees of aided schools, where such retrospective provisions are to be found, may be adopted for the employees of aided colleges also.
